

## RESTOKE – The Ballroom – Accessibility

We are continually working on improving this document. If you have any feedback, please email: [info@restoke.org.uk](mailto:info@restoke.org.uk)

This is a two-page document.

<b>Parking &amp; Entrance</b>  <b>Accessing the building from outside</b>	<p>We have an accessible ground-level entrance to the town hall on <a href="#">Gimson Street</a> (beige double doors), on which you can park for free for any length of time.</p> <p>You may see old yellow lines under newer tarmac. However, these have since been removed.</p>	Google map: <a href="#">Gimson Street</a>
<b>Accessing the Ballroom</b>	<p>The Ballroom is on the 1<sup>st</sup> floor of Fenton Town Hall.</p> <p>We have an enclosed access lift in the main foyer of the Town Hall going up to the ballroom on the 1st floor (30-second travel duration).</p>	
<b>WC facilities</b>	<p>We have a ballroom-level (1st floor) accessible WC</p>	

<p><b>Door widths</b></p>	<p>The narrowest point in all these locations is the doorway to the accessible WC which has a passing width of <b>860mm</b> (taking into account the handle rail on the door).</p>	
<p><b>Evacuation Chair</b></p>	<p>Members of the Restoke team are trained to use the evacuation chair. There is a refuge area at The Ballroom level.</p>	
<p><b>Accessing the stage</b></p>	<p>The stage (when set up) height is 40cm. Ramp access.</p>
